Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Monday 12 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Humid with sunshine and showers.

Today:
For most it will be a warm, humid day with strong sunshine, which builds showers into the afternoon, bringing risk of thunderstorms, particularly across the hills of Armagh and county Down. Winds light mainly from the north. Maximum temperature 21 deg C (70 deg F).

Tonight:
Last of showers soon die away early evening, leaving most dry overnight. However lower cloud feeding across northern areas before dawn, bringing some patchy light rain and drizzle. Minimum temperature 10 deg C (50 deg F).

Tuesday:
Rather cloudy start, with some patchy light rain in far north. Bright and sunny spells soon appearing from Belfast southwards, which push north to all but northern coasts late afternoon. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Western and northern parts rather cloudy with some patchy rain. South and east dry with bright and sunny spells and feeling warm in the light winds.
